Payment of Fees and Charges

Payment of fees can be made via the Parent Portal, through the [TASS Parent Lounge](#). This system is PCI-Compliant, ensuring safe and flexible options for families. For detailed instructions on how to set up a payment schedule, please see [scas.app/PPS](#). Alternatively, payments can also be made via Eftpos (in person or over the phone), cash or a recurring BPAY which can be setup through your internet banking.

Additional charges or fees applicable, will be made available for secure payment via the online Parent Portal.

Refunds are only issued under exceptional circumstances, upon approval by the Principal. If approved, any applicable refunds will be applied to your school account at the end of the school year.

It is a condition of enrolment that fees are paid by their due date. Where outstanding debt is referred to the School's debt collection agency, all legal expenses and costs associated with the collection of the outstanding debt incurred by the School will be charged to your account.

Forgotten your Parent Lounge Username?

You can find this located on your current parent statement (top right hand corner - 5 digit account number), which you can locate in your emails by searching 'statements'.

Withdrawal of Student

A student's enrolment is deemed to continue for the span of education years offered by the School. The School requires one full school term's notice for withdrawal of students.

Notice of withdrawal must be in writing to the Principal and must be given prior to the commencement of the last term of attendance. Failure to give one full school term's notice of withdrawal in writing will incur an administration charge equivalent to 20% of one full term's fees per student in lieu of notice.

Dismissal of a Student

If a student is removed at the insistence of the School, the parent or caregiver is liable for all fees and charges to the end of the term in which the student's enrolment was terminated.

Absence through Illness or Injury

It should be understood that no remission of fees either in part or in whole will be made should the student be absent from school through illness or injury. Private insurance cover can be obtained to cover this type of misfortune. Under exceptional circumstances, consideration may apply under compassionate grounds.

Building Fund Donations

The St Columba Building Fund provides an important source of funding for capital projects, such as building plans and improvements to the campus and facilities. A suggested level of donation per family is included on annual statements and can be manually amended in the Parent Portal. Additionally, the SCAS Foundation supports the growth and development of the School and provides scholarship opportunities for deserving students. Donations to both funds are voluntary and tax deductible and can be made via the online Parent Portal.
