St Columba Anglican School Fees

The Schedule of Fees and Charges is set and approved each year by the School Council. All pricing is indicative and the School reserves the right to adjust pricing in unforeseen circumstances.

Annual school fees are split into two components: Tuition Fees and the Camp, Activity and Resource (C.A.R.) Fee. The two fee components cover most aspects of core academic and pastoral curriculum including, compulsory camps, local activities and year-based excursions.

Annual Fee Statements are issued via email in January each year, with 25% payable by Week 3 of each school term. Annual fees may be paid by regular (weekly, fortnightly, monthly, quarterly) instalments. The School does not provide split family billing. Parents/caregivers are jointly and severally liable for the payment of annual fees and additional fees and charges. A copy of the statement will be forwarded to each parent/caregiver.

An early payment discount of 2.5% is available to those families who wish to take advantage of this option by paying the full year's tuition fees by Week 3 of Term 1. Early payment discounts do not apply unless any existing outstanding balance is cleared. Early payment discount does not apply to the C.A.R. Fee.

Subject and Elective Course Fees

These courses attract a fee to supplement expenses such as materials, tools, equipment maintenance, specialist software licensing and training, and other necessary consumables which enable the running of the course. These fees will be issued through the School's online Parent Portal. For further information, refer to the 2026 Elective Course Fees Schedule.

Additional Information

Please read the Schedule of Fees and Charges in conjunction with the St Columba Anglican School Fees and Discounts Policy.

Payment of Fees and Charges

Payment of tuition and C.A.R fees can be made via the Parent Portal, through the [TASS Parent Lounge](#). This system is PCI-Compliant, ensuring safe and flexible options for families. For detailed instructions on how to set up a payment schedule, please see [scas.app/PPS](#). Alternatively, payments can also be made via Eftpos (in person or over the phone), cash or a recurring BPAY which can be setup through your internet banking.

Additional charges or fees applicable, will be made available for secure payment via the online Parent Portal.

Refunds are only issued under exceptional circumstances, upon approval by the Principal. If approved, any applicable refunds will be applied to your school account at the end of the school year.

It is a condition of enrolment that fees are paid by their due date. Where outstanding debt is referred to the School's debt collection agency, all legal expenses and costs associated with the collection of the outstanding debt incurred by the School will be charged to your account.

Further Discounts and Concessions

Licensed Pastors and Clergy may apply for a concession by completing an application form annually, which is available by contacting the Accounts Department.

Withdrawal of Student

A student's enrolment is deemed to continue for the span of education years offered by the School. The School requires one full school term's notice for withdrawal of students.

Notice of withdrawal must be in writing to the Principal and must be given prior to the commencement of the last term of attendance. Failure to give one full school term's notice of withdrawal in writing will incur an administration charge equivalent to 20% of one full term's fees (25% of annual tuition fees and the C.A.R fee) per student in lieu of notice, and any discounts applied will be adjusted accordingly.

Dismissal of a Student

If a student is removed at the insistence of the School, the parent or caregiver is liable for all fees and charges to the end of the term in which the student's enrolment was terminated.

Absence through Illness or Injury

It should be understood that no remission of fees either in part or in whole will be made should the student be absent from school through illness or injury. Private insurance cover can be obtained to cover this type of misfortune. Under exceptional circumstances, consideration may apply under compassionate grounds.

Building Fund Donations

The St Columba Building Fund provides an important source of funding for capital projects, such as building plans and improvements to the campus and facilities. A suggested level of donation per family is included on annual statements and can be manually amended in the Parent Portal. Additionally, the SCAS Foundation supports the growth and development of the School and provides scholarship opportunities for deserving students. Donations to both funds are voluntary and tax deductible and can be made via the online Parent Portal.
